

Santa Barbara Zoo
Celebrating the 50th Train Anniversary

Is taking a train ride around the Santa Barbara Zoo with Victor, Emmett, or Kate your favorite part of your day at the Zoo? Have you always wanted to be a train engineer? Does the train hold special memories for you and your family? Celebrate your love of the train with a commemorative plaque by making a 50th Train Anniversary gift today.

You can have your message engraved on a plaque and placed on your favorite seat or car on the blue or red train. Having your own plaque on the train will make your visits to the Zoo even more memorable!

This 50th Anniversary Special expires December 31, 2018. To purchase a plaque, please complete and mail the Train Plaque Form or contact Lauren Amundson at (805) 679-8483 or donate@sbzoo.org.
