November 2021

Dear Friend of the Zoo,

We are thrilled to announce a huge snowfall will be touching down at the Santa Barbara Zoo for the **Snow Leopard Festival** on **Sunday, January 23, 2022!**

This **frosty fun family festival** is a one-day event at the Santa Barbara Zoo where both humans and animals get to play in the snow! This rare blizzard will deposit 80 tons of snow for sledding and snow play on the ~~hilltop~~ mini-Himalayas! The snow play area will feature fun winter activities, and during the festival you will have the opportunity to learn about the **conservation efforts for the endangered snow leopard**.

We would be honored to have you **join us as a sponsor** for Snow Leopard Festival. As a sponsor you will receive early admission for a private Sponsor Reception. The exclusive Reception includes morning frost(bites), hot drinks, and mimosas; not to mention fresh powder and sledding on the slopes before it opens to the public! Sponsors will also get to enjoy a flurry of benefits including community recognition, astounding incentives, and more.

In addition to the exclusive benefits that come from sponsorship, you can take pride in the fact that your generous contribution helps fund the exceptional care of the **animals** who reside at the Zoo, supports award-winning **education** programs, and enables field research for **conservation** efforts to save endangered and threatened animals in the wild such as the festival's namesake animal, the snow leopard.

Thank you for considering sponsorship of Snow Leopard Festival at the Santa Barbara Zoo! We look forward to raising funds and awareness for your Zoo and your planet, while having a snowy celebration at the beautiful Santa Barbara Zoo.

Sincerely,

Rich Block
 President/CEO
